SEAFOOD RESTAURANT

A landmark of the Cockle Bay promenade, Nick's 'Sea to Plate' philosophy showcases the very best of Australian seafood. Renowned for the quality of our locally sourced produce, our boats sail out to catch fresh seafood, with the menu featuring daily-caught fish and shellfish including our famous Eastern Rock Lobsters.

Nick's Signature Seafood Platter is a towering feast of the ocean's finest luxuries, with whole cooked lobster, freshly shucked oysters and succulent king prawns. Beyond seafood, Nick's also offers premium Australian Wagyu beef, bringing together the best of land and sea.

Set over a grand, elegant dining room and spectacular harbourfront alfresco deck, Nick's commanding views of the harbour are the perfect complement to its stunning meals.

With a dedicated events team able to tailor a private function to suit any size or special requirements, the restaurant seats close to 550 people. Nick's can accommodate a cocktail event of up to 1,500, offering the possibility of a gala celebration in one of the largest and most decadent harbourside locales in Sydney. Nick's elegantly contemporary semi-private dining area holds 40 people sit-down and 80 in a cocktail setting.
